Residential and Commercial Equipment Stands

Mini-Split Stands

Wall Brackets

# IBEX ADVANTAGES

## Stands up to Rust

Our mini split and VRF stands are from pure marine grade aluminum, with hot dipped galvanized hardware.

This means your IBEX stand will be rust resistant for its entire lifespan.

## Made in USA

Proudly made in the Northeastern US, making our mini-split and VRF stands in the USA lets us control the quality to ensure you're getting the best stand that money can buy.

## Precision Engineered

Our experienced craftsmen hand make every stand to our highest standards. It's then carefully packaged along with hardware already hand-tightened in place. You'll complete the assembly in under 15 minutes flat.

# WARRANTY

## **STAND WARRANTY**

To the original owner of an IBEX stand, IBEX HVAC, Inc. warrants the base to be free of defects in materials and workmanship for 2 years under the equipment under which it was originally installed so long as the installing homeowner lives there. End user shall provide a copy of receipt showing date of installation.

This warranty does not cover replacement labor cost, or any cost claim incident to the defect, replacement, or reinstallation, nor field repair expenses. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you.

## **EXCLUSIONS AND LIMITATIONS**

IBEX HVAC, Inc. equipment stands are designed and manufactured to be used as bases for light, ground supported equipment such as air conditioning condensers, swimming pool filters and heat pumps. Use of IBEX HVAC Inc. stands for purposes other than those listed above, or improper installation of IBEX HVAC Inc stands may result in stand failure. IBEX HVAC., Inc disclaims any liability due to such misuse or improper installation.
